

**Background (For internal reference only. Not included in notice to consumer):** The Health Insurance Marketplace will send Form 1095-A to each tax filer (as defined under 45 CFR 155.300), or responsible adult on a policy, on or before January 31<sup>st</sup> of each year. The following document represents a cover sheet that the Marketplace will include with the completed 1095-A that will be sent to each tax filer or responsible adult. Individuals will receive a completed Form 1095-A if they or a member of their household were enrolled in a qualified health plan (QHP) through the Marketplace for any months in the coverage year, with or without receiving advance payment of the premium tax credit (APTC). Form 1095-A lists the individuals who were enrolled in a QHP, the QHP premium, and any APTC that was paid on the enrollee's behalf to the issuer. This cover sheet will go to individuals who are receiving a **voided** Form 1095-A, because either policy was canceled or they had a catastrophic or stand-alone dental plan. The purpose of the letter is to instruct the consumer to disregard the Form.

**This notice is about an important change to your "Form 1095-A, Health Insurance Marketplace Statement."**

Dear First Name Last Name:

Your Form 1095-A for **Marketplace-assigned policy number 1025443** (found in Box 2 on Form 1095-A) for coverage [year], is now void. According to information provided by you or your health insurance company, we voided this Form 1095-A for one of these reasons:

- You or a member of your family weren't enrolled in this Marketplace plan.
- Your share of the Marketplace plan premium wasn't paid.
- There was a change in your or your family member's Marketplace enrollment.
- Your Marketplace policy was canceled or rescinded.

All prior versions of Form 1095-A with this same policy number 1025443 are also void, including this one. This voided Form 1095-A is documentation that you're not eligible to claim the premium tax credit for this policy, and voids all prior versions of Form 1095-A for health coverage associated with this policy.

**IMPORTANT:** You may have received multiple Forms 1095-A. Please make sure to look at the Marketplace-assigned policy number in Box 2 of this Form 1095-A. This notice applies only to your Form 1095-A with Marketplace-assigned policy number 1025443 in Box 2. This notice doesn't apply to a Form 1095-A with a different Marketplace-assigned policy number, if you have one.

**Will I need to file an amended return?**

If you haven't filed your tax return, don't use the information on this voided Form 1095-A or on a previously received Form 1095-A for Marketplace-assigned policy number 1025443 to complete "Form 8962, Premium Tax Credit."

If you already filed your tax return and used the information on an earlier version of Form 1095-A for Marketplace-assigned policy number 1025443, you need to file an amended return. If you don't amend your return, the Internal Revenue Service (IRS) may contact you about additional tax due. If you've already received a letter from the IRS, you should respond to the letter promptly.

---

The premium tax credit is only available for people who enrolled in a Marketplace health plan. If you never paid premiums for your Marketplace coverage, then you weren't enrolled.

**Keep this notice and voided Form 1095-A for your records. You may need to provide the IRS with a copy.**

#### **About your voided Form 1095-A**

- You can tell the difference between an original Form 1095-A and a voided Form 1095-A by the "void" box at the top of the form. If the box is checked, then the form and any earlier versions are voided.
- In most cases, you can find a copy of this voided Form 1095-A in your Marketplace account on HealthCare.gov, along with all previously received Forms 1095-A for this policy. Log into your Marketplace account to view each Form 1095-A. If you don't have a Marketplace account, you can visit HealthCare.gov and create one.
