Dear [Name]:

Important information about your 2018 Marketplace health coverage

You recently got a letter from your Marketplace health insurance company letting you know that your current plan won't be available through the Marketplace for 2018.

Because we don't want you to have a gap in coverage, we matched you with an alternate plan offered by a different insurance company. You may get information about this new plan from the company offering it, including welcome information and a bill for the first month of coverage. **You have no obligation to activate this new coverage - you can still choose any available plan before December 15, 2017.**

Each person listed here was matched with a plan:

- [Name]: currently enrolled with [current health insurance company] for 2017, now matched with [2018 health plan] offered by [2018 health insurance company] for 2018.

Visit the Marketplace by December 15, 2017

To stay covered this January, **take action before Open Enrollment ends on December 15, 2017.** You can stay in the alternate plan we matched you with, or you can select a new Marketplace health plan. Visit HealthCare.gov to compare the plans available in your area.

We strongly encourage you to update your Marketplace application during Open Enrollment and review all available plans to find one with the coverage and doctors that are right for you. When updating your 2018 Marketplace application **be sure to indicate that you're losing your 2017 health coverage as of December 31, 2017.**

What to do next

1. Compare your health plan options for 2018:
 - Log in to your Marketplace account at HealthCare.gov and select your 2018 application. Step through
-

each page of your application and update your information.

- When you're asked if anyone will lose qualifying health coverage in the next 60 days, check the name of each person listed above. (They'll qualify for a Special Enrollment period, with a later deadline to review plans and enroll in a different plan.)
- When you're done making updates, submit your application.
- Review your updated eligibility notice, then see your "Enroll To-Do List." Here's where you can compare plans, costs, and benefits for 2018. When reviewing plans, you'll see your alternate plan displayed at the top as "Current or Alternate" plan. This alternate plan may have different coverage, costs or benefits.

You can also call the Marketplace Call Center at 1-800-318-2596 to compare and pick a plan.

If you choose to enroll in the alternate plan we matched for you, simply pay your first premium by the due date.

2. Update your application and choose a new health plan by December 15. Enroll in a Marketplace plan that meets your needs and budget. Remember - health plans in the Marketplace are the only health insurance options where you can qualify for financial help to help pay your monthly premium or other costs.
3. Pay your first monthly premium. Your plan will let you know when and how to pay.
