

Instructions to Help You Complete the Application for Health Coverage

Starting November 1, you can apply for health coverage through the Health Insurance Marketplace. Coverage begins as soon as January 1. The Marketplace is designed to help you find health coverage that fits your budget and meets your needs.

For your convenience, there are different ways to apply to the Marketplace. The fastest way is to apply online at HealthCare.gov. If you apply online, you'll also get your eligibility results right away.

Complete this application if you want health coverage for yourself and/or other family members but don't need help paying costs. Filling out this application doesn't mean you have to buy health coverage.

These instructions include additional help for some, but not all, of the items in the application.

Before you begin, it may help to have this information ready:

- Social Security Numbers (SSNs)
- Document numbers for eligible immigrants who want health coverage
- Birth dates

You have the right to get the information in this product in an alternate format. You also have the right to file a complaint if you feel you've been discriminated against. Visit www.cms.gov/about-cms/agency-Information/aboutwebsite/cmsnondiscriminationnotice.html, or call the Marketplace Call Center at **1-800-318-2596** for more information. TTY users can call **1-855-889-4325**.

Use blue or black ink to complete the application.

STEP 1: Tell us about yourself.

(Page 1)

An adult (18 or older) must complete the contact information. We need this information so we can follow up with you if we have questions about your application and so we can let you know how to join a health plan.

Need health coverage?

Complete the whole page.

Don't need health coverage for yourself?

Complete items 1–17.

Item 24

If you're not a U.S. citizen but have eligible immigration status, check “yes,” and provide your document type and document ID number(s) (see pages 4–6). If you have more than one of these documents, list all of them.

Items 25–26

Ethnicity and race questions are optional. This information will help the U.S. Department of Health and Human Services (HHS) better understand and improve the health and health care for all Americans. Providing this information won't impact your eligibility for health coverage, your health plan options, or your costs in any way.

STEP 2: Tell us about anyone who needs health coverage.

(Page 2)

Space is included for up to 3 people. If you want to apply for coverage for more than 3 people, make a copy of page 2, and complete the information for each additional person.

Items 11–13

If the person isn't a U.S. citizen but has eligible immigration status, check “yes,” and provide their document type and document ID number(s) (see pages 4–6). If the person has more than one of these documents, list all of them. Item 8 doesn't need to be completed if the person isn't applying for health coverage.

(Page 6)

Item 1

If you or anyone in your family is American Indian or Alaska Native, check “yes” and list the person’s name, name of tribe, and state of tribe. There are special protections available for members of federally recognized tribes.

STEP 4: Your agreement and signature

(Page 6)

Read the statements on this page, sign your name, and write today’s date. By signing, you’re agreeing that the information you provided is true and correct. If you’re incarcerated (detained or jailed), but pending disposition, you’ll need to fill out the Application for Health Coverage & Help Paying Costs instead of this application.

If an authorized representative helped you fill out this application, they can sign the form for you, but they’ll need to complete Appendix C: Assistance with Completing this Application, and submit it with your application.

You (PERSON 1 on the application) must sign Appendix C to allow the authorized representative to sign this application, get official information about the application, and act for you on all future matters related to this application.

STEP 5: Mail completed application.

(Page 7)

Mail your original, signed application (and appendices, if applicable) to:

**Health Insurance Marketplace
Dept. of Health and Human Services
465 Industrial Blvd.
London, KY 40750-0001**

When you mail your application, be sure to use the correct amount of postage. The postage rate will depend on the weight of your application, which will be based on the number of pages you’ve included.

If you don’t have all the information or you can’t finish all the items, send in your application anyway. We’ll follow up with you within 1–2 weeks.

Assistance with Completing this Application

- **Certified application counselors, navigators, in-person assistance counselors, and other assisters:** These are professional individuals or organizations that are trained to help consumers looking for health coverage options through the Marketplace, including help with completing this application. Services are free to consumers. You can ask to see certification showing they're authorized to perform this work. They can help you complete this section. The ID number is the navigator's identification number. This is a unique alphanumeric ID (13 letters and numbers) given to each navigator.
- **Agents and brokers:** Agents and brokers can help you apply for help paying for coverage and enroll in a Qualified Health Plan (QHP) through the Marketplace. They can make specific recommendations about which plan you should enroll in. They're also licensed and regulated by states and typically get payments or commissions from health insurance companies when they enroll consumers. They can help you complete this section.

List both ID numbers for agents and brokers:

- **FFM User ID:** A unique ID that the agent or broker creates when registering with the Marketplace.
- **National Producer Number (NPN):** A unique number (up to 10 digits) that's assigned to each licensed agent or broker. An NPN can be easily located by going to the National Insurance Producer Registry's website at www.nipr.com.

You can choose an authorized representative:

Someone who you choose to act on your behalf with the Marketplace, like a family member or other trusted person. Some authorized representatives may have legal authority to act on your behalf.

APPENDIX D

Questions about life changes

A change in your life can make you eligible for a Special Enrollment Period to enroll in health coverage. Examples of qualifying life events are moving to a new state, certain changes in your income, and changes in your family size (for example, if you marry, divorce, or have a baby).

Privacy Act Statement

Permission for information submitted

By submitting this application, you represent that you have permission from all of the people whose information is on the application to both submit their information to the Marketplace, and receive any communications about their eligibility and enrollment.

Privacy Act Statement – effective 10/1/2013

We are authorized to collect the information on this form and any supporting documentation, including social security numbers, under the Patient Protection and Affordable Care Act (Public Law No. 111-148), as amended by the Health Care and Education Reconciliation Act of 2010 (Public Law No. 111-152), and the Social Security Act.

We need the information provided about you and the other individuals listed on this form to determine eligibility for: (1) enrollment in a qualified health plan through the Federal Health Insurance Marketplace, (2) insurance affordability programs (such as Medicaid, CHIP, advanced payment of the premium tax credits, and cost sharing reductions), and (3) certifications of exemption from the individual responsibility requirement. As part of that process, we will verify the information provided on the form, communicate with you or your authorized representative, and eventually provide the information to the health plan you select so that they can enroll any eligible individuals in a qualified health plan or insurance affordability program. We will also use the information provided as part of the ongoing operation of the Marketplace, including activities such as verifying continued eligibility for all programs, processing appeals, reporting on and managing the insurance affordability programs for eligible individuals, performing oversight and quality control activities, combatting fraud, and responding to any concerns about the security or confidentiality of the information.

While providing the requested information (including social security numbers) is voluntary, failing to provide it may delay or prevent your ability to obtain health coverage through the Marketplace, advanced payment of the premium tax credits, cost sharing reductions, or an exemption from the shared responsibility payment. If you don't have an exemption from the shared responsibility payment and you don't maintain qualifying health coverage for three months or longer during the year, you may be subject to a penalty. If you don't provide correct information on this form or knowingly and willfully provide false or fraudulent information, you may be subject to a penalty and other law enforcement action.

In order to verify and process applications, determine eligibility, and operate the Marketplace, we will need to share selected information that we receive outside of CMS, including to:

1. Other federal agencies, (such as the Internal Revenue Service, Social Security Administration and Department of Homeland Security), state agencies (such as Medicaid or CHIP) or local government agencies. We may use the information you provide in computer matching programs with any of these groups to make

eligibility determinations, to verify continued eligibility for enrollment in a qualified health plan or Federal benefit programs, or to process appeals of eligibility determinations. Information provided by applicants won't be used for immigration enforcement purposes;

2. Other verification sources including consumer reporting agencies;
3. Employers identified on applications for eligibility determinations;
4. Applicants/enrollees, and authorized representatives of applicants/enrollees;
5. Agents, Brokers, and issuers of Qualified Health Plans, as applicable, who are certified by CMS who assist applicants/enrollees;
6. CMS contractors engaged to perform a function for the Marketplace; and
7. Anyone else as required by law or allowed under the Privacy Act System of Records Notice associated with this collection (CMS Health Insurance Exchanges System (HIX), CMS System No. 09-70-0560, as amended, 78 Federal Register, 8538, March 6, 2013, and 78 Federal Register, 32256, May 29, 2013).

Identity Verification

To protect your privacy, you will need to complete Identity Verification successfully before requesting higher account privileges. You are providing consent to Experian, an external identity verification provider, to access your personal information to conduct ID Verification on behalf of CMS. Below are a few items to keep in mind.

Ensure that you have entered your legal name, current home address, primary phone number, date of birth, and email address correctly. We will collect personal information only to verify your identity with Experian.

Identity Verification involves Experian using information from your consumer report profile to help confirm your identity. As a result, you may see an entry called a "soft inquiry" on your Experian consumer report. Soft inquiries are visible only to you, will never be presented to third parties, and do not affect your credit score. The soft inquiry will be titled "CMS Proofing Services" and will be removed from your Experian consumer report after 25 months.

You may need to have access to your personal and consumer report information, as the Experian application will pose questions to you, based on data in their files.

This statement provides the notice required by the Privacy Act of 1974 (5 U.S.C. § 552a(e)(3)). You can learn more about how we handle your information at: <https://www.healthcare.gov/how-we-use-your-data>.
