You may soon be eligible for Medicare & can change your health coverage.

Application date: 5/12/2023  
2023 Application ID: DUMMY-APP-ID-5813

Dear Yuri:

Our records show that the people listed below have a Marketplace health plan and will soon turn 65. They may be eligible for Medicare:

- Charlie Zane
- Tracy Quartermain
- Grant Garnett
- Xavier Avery

Medicare is health insurance for people 65 or older. You're first eligible to sign up for Medicare 3 months before you turn 65. Most people don't keep their Marketplace coverage once they qualify for Medicare.

## What should I do next?

1. Sign up for Medicare through Social Security: Visit [SSA.gov/medicare/sign-up](https://ssa.gov/medicare/sign-up) to sign up online or call Social Security at 1-800-772-1213 (TTY: 1-800-325-0778).
  - If you don't sign up when you're first eligible, you may have to pay a monthly late enrollment penalty. The penalty goes up the longer you wait.
  - If you already get benefits from Social Security, you'll get Medicare automatically when you're first eligible and don't need to sign up.

Visit [Medicare.gov/sign-up](https://medicare.gov/sign-up) to find out when and how to sign up based on your situation.

2. Choose which way you want to get your Medicare coverage: Medicare offers different options for you to get health care coverage. Visit [Medicare.gov](https://medicare.gov) to learn about your options and to find and compare health and drug plans in your area.

3. End your Marketplace coverage: In most cases, you'll want to end your Marketplace coverage the day before your Medicare coverage starts. To find out when your Medicare coverage starts, log into your my Social Security account at [SSA.gov](https://www.ssa.gov) or check your Medicare card that gets mailed with your Medicare welcome packet.

For details, visit [HealthCare.gov/medicare/changing-from-marketplace-to-medicare](https://www.healthcare.gov/medicare/changing-from-marketplace-to-medicare) or call the Marketplace Call Center at 1-800-318-2596 (TTY: 1-855-889-4325).

## When can I sign up for Medicare?

You can first sign up for Part A (Hospital Insurance) and Part B (Medical Insurance) during your Initial Enrollment Period. It lasts for 7 months, starting 3 months before you turn 65 and ending 3 months after the month you turn 65.

If you miss your Initial Enrollment Period (and don't qualify for a Special Enrollment Period):

- You can sign up at any time for premium-free Part A anytime after you're first eligible for it.
- You can sign up for Part B (or both Part A and Part B) during the General Enrollment Period (January-March) each year. Coverage starts the month after you sign up.
- You may have to pay a monthly late enrollment penalty for as long as you have Part B coverage. The penalty goes up the longer you wait. You may also have to pay a penalty if you have to pay a Part A premium, but don't enroll when first eligible.

Visit [Medicare.gov/basics/get-started-with-medicare](https://www.medicare.gov/basics/get-started-with-medicare) for more details on when to sign up.

## Can I keep my Marketplace coverage if I enroll in Medicare?

You can keep your Marketplace plan after your Medicare Part A coverage starts (generally through the end of the year). But, you'll no longer be eligible for the premium tax credit or other cost savings you may be getting for your Marketplace plan. You'll pay full price for your Marketplace plan if you keep it. And, you may have to pay back any tax credits you get after your Medicare coverage starts when you file your federal taxes.
