STEPS TO

# STAYING COVERED THROUGH THE MARKETPLACE

If you have health coverage through the Health Insurance Marketplace, November 1 – December 15 is the time to review your plan and decide if you need to make changes for 2021. If you have any changes to your information, log into [HealthCare.gov](https://www.healthcare.gov) to update your Marketplace application.

Be sure to carefully read and review the letter your health plan sends you in the mail to see what changes they're making to your coverage for the coming year.

You can choose to stay in your current plan (if it's still offered) or make changes. Follow these 5 steps to stay covered for 2021!

**Complete all 5 Steps by December 15, 2020 to finish enrolling in a health plan, even if you want to stay in the same plan.**

Paid for by the Department of Health & Human Services.
