Lost Medicaid or CHIP?
Here are 3 things to do next:

1. If your coverage ended recently because you didn’t send in your renewal form, complete and send it back right away. You may be able to restart your coverage without a new application.

2. If you aren’t sure if you lost Medicaid or CHIP, or believe you’re still eligible, contact your state to confirm.

3. Explore low cost, quality health coverage options through the Health Insurance Marketplace®.
