

Marketplace Open Enrollment

November 1 - January 15

Open Enrollment in the Health Insurance Marketplace® begins on November 1, 2022. This is the time for consumers to visit [HealthCare.gov](https://www.healthcare.gov) to view plans available in their area, compare costs and benefits, and enroll in coverage for 2023. Consumers with coverage through [HealthCare.gov](https://www.healthcare.gov) are encouraged to return to see which plan best meets their needs for next year.

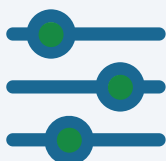

Quality health coverage will continue to be affordable and accessible.

More people than ever may qualify, even if you haven't in the past. If you're uninsured now's the time to look for a quality health plan at a lower cost.

More consumers have access to more affordable coverage.
