

Put Your Health First!

1. Make time for physical activity, healthy eating, relaxation, and sleep.
2. Get the preventive services that are right for you!
3. Take an active role in your health care.
4. Keep track of your health information.

For more resources and information on free preventive services, visit marketplace.cms.gov/C2Cprevention.

Thank you for taking time to put your health first!

Today, _____, I received a preventive health screening!
