Purpose:
The purpose of this document is to provide a quick overview for Assisters on how to access and register in the Marketplace Learning Management System (MLMS). The MLMS is specifically designed to provide both one-time and continuous Online Training. When completing the initial registration process, pay close attention to the navigation instructions provided in this guide. Open a web browser in Internet Explorer 11, Firefox, or Chrome.

1. 1st Time CAC, SBE-FP, NAV

**NOTE:** If you previously created a CMS Enterprise Portal account, please follow steps in section (2) to avoid creating duplicate accounts.

  - Create a CMS Portal Account by clicking “New User Registration”
  - Select **MLMS: Marketplace Learning Management System** from the **Step #1, Choose Your Application** drop-down
  - Read and check the box to signify agreement with “Terms and Conditions” and click “Next”
  - Complete all fields on, “Register Your Information Page” and click “Next”
  - Create a User ID and Password and answer challenge questions
  - Select “Challenge Question 1” (Choose a question and provide an answer in “Answer 1” - repeat for Questions and Answers 2 and 3 and Select “Next”
  - Review and verify that all fields are correct. Once everything has been confirmed, the confirmation page will open. You can now login by clicking “here” on the Confirmation page.

  - Click “Request/Add Aps” tile
  - Search the Access catalog for “FFM” and find the **FFM/Request for MLMS Training Access** tile and select “Request access.”
  - From the “Request New System Access” page, select “FFM/MLMS Training Access” from the **System Description** drop-down and **Assisters** from the **Role** drop-down
  - Click “Submit” and then “OK”

- Complete the **Identify Verification** process -- collects personal information to verify your identity with Experian, an external identity verification provider
  - Log-in to My Portal and click “MLMS” and then select “Training”
  - From the MLMS Assister Profile page, complete the required fields
  - Select “Save/Update” to access the MLMS Assister landing page and view training options

**NOTE:** You can log-in to My Portal at any time to check your FFM registration status.
2. Returning Navigators

  - Log in using your FFM user ID and password from last year
  - If you see the “Request/Add Apps” tile, then your account has not been identity verified. You will need to complete the Request Access steps shown above.

**NOTE:** Returning Navigator accounts will be validated upon log-in. If the system is unable to certify the account, you will be prompted to contact the appropriate help desk for assistance.

**NOTE:** Creating duplicate accounts can result in issues regarding your records. If you have trouble logging into an existing account, contact the XOSC Tier 1 support at 1-855-267-1515 or CMS_FEPS@cms.hhs.gov for assistance.

3. Enrolling in an MLMS Curriculum and Launching a Course – New CAC, SBE-FP, NAV

5. Deleting Extraneous Courses

NOTE: It is not necessary to delete courses that were added and not completed in Plan Year 2019 or before. However, if you prefer to remove them from your Current Learning page you may.

- On the MLMS Assister landing page, select the Current Learning option in the left-hand navigation
- Locate the desired course in the list of enrolled courses
- Select the “Drop” link
- Select the “Drop” button
- Select the “Save” button

6. Reviewing and Relaunching a Completed Course

NOTE: You may review the content of a course after completing the full curriculum and the status is “Acquired” by relaunching the course. You do not have to complete the course entirely again to get credit as the initial completion is already captured.

- On the MLMS assister landing page, select the Curriculum Status option in the left-hand navigation
- Locate and select the desired curriculum in the list of enrolled curricula
- Hover over the “Actions” link
- Select the “Recent Course History” tab
- Locate the desired course and click the “View Results” link
- Select the “Launch” button in the pop-up window
- Proceed through the course as needed

7. Updating MLMS Profile Information

  - Log-in to MLMS
  - Complete all required fields, and other information as available

NOTE: Depending on the Assister type that is selected, different fields will be displayed and required
  - Select “Save/Update”
8. Printing a Curriculum Certificate

  - Update your profile information as needed and click “Save/Update” or “Next” if no information needs an update
  - Select Curriculum Status in the left-hand navigation
  - On the Curriculum Status page, hover over the “Actions” link next to the applicable curriculum and click “Print Certificate”
  - Select “Print” in the top left of the pop-up window

**NOTE:** The certificates for Non-Certified curriculums will not satisfy federal requirements and will be marked Non-Certified.
